Pottery and Secrecy.

In the royal manufactory of pottery

at Meissen, Saxony, the work was for

creey to prevent the processes from

becoming known elsewhere. The es-

tablishment was a complete fortress,

the portcullis of which was not raised day or night, no stranger being per

mitted to enter for any purpose what

ever. Every workman, even the chief

inspector, was sworn to clience. This

-tojunction was formally repeated every

month to the superior officers employ-

ed, while the workmen had constantly

before their eyes in large letters the

warning motto. "Be Secret Unto

Death." It was well known that any

person divulging the process would be

imprisoned for life in the castle of

Koenigstein. Even the king himself when he took strangers of distinction

to visit the works was enjoined to se-

crecy. One of the foremen, however,

escaped and assisted in establishing a

It will be announced later when and where such work may be submitted and unwhat conditions, whether or not it must be sent in under a fictitious name to insure absolute impartiality in judament. The preliminary committee which will do the reading and pass judgment on the work submitted will consist of George C. Waldo, Jr., of the Morning Telegram, Calhoun of the Morning Telegram, Calhoun 1% to 89 and Utah 1% to 76%, both 1% to 89 and William T. Hincks.

It is the plan of the committee to arrange a program for the season ness of steel produced reactions else-

arrange a program for the season mess of steel produced reactive which will be composed of perhaps three meetings to be held during the winter. Mr. and Mrs. Hincks have arranged to hold these meetings at their residence on Park place. A noted writer will address the meeting. Certain of the members of the club will be assigned by the committee to submit work along certain lines at a date early enough for the sperker to look it over and crificize it. For the first season, at least, there will be no fees or dues in connection with the organization, arrangements having been made to meet an expense connected with procuring the various writers and critics

for the first year.

It is also quite probable that any niembers of the club who succeed in producing any piece of literature, a play, skit or story, may be helped to find a lucrative market for it.

Mrs. Roderick J. MacKenzie of Trove street, who is a member of the National Committee on Prisons and Prison Labor was present at the conference on "The Jail" held on by S. G. Dixon, the most formidable Saturday afternoon at the home of animal enemy of the mosquito is the Adolph Lewishon at Heather Dell Farm, Ardsley on the Hudson, Miss Eugenia Phillips was Mrs. MacKenzie's, guest. A number of noted men and women who are interested in prison reform were present. Hon. Thomas Mott Osborne, warden of Sing Sing prison, although not on the program, was called upon for a Mr. Osborne talked on the work at Sing Sing prison. Among pupae and larvae, while in the other other things he said that the worst they continued to abound. Wild ducks men in the prisons are the educated ones, as the "rough necks" if reached, have hearts of gold, whereas the others to influence those about them for evil. The warden referred to the sentleman scoundrel as a "rat."

Judge William H. Dunham then made a motion which was uninamousseconded that the assembly have and will support him in his fight to better the condition of the prisoners and to make him a useful member of

The speakers of the day at the conference were Dr. Hastings H. Hart. chairman of jall committee of the National Committee of Prison and Prison Labor; Professor George W. Kirchwey, chairman legal committee; while Dr. Katherine Bement Davis, sioner of correction of the city of New York and Mr. Osborne were the guests of honor.

The Alliance Francaise will open its season this evening with a lecture by Madame E. Guerin, the elebrated French actress, who wil talk on "Le Salon de Madame de Rambouillet et la Cour de Louis XIV." The lecture will be held in the sun parlor of the Stratfield and will begin prompty at

Thursday evening, at the home of Mr. and Mrs. Michael McGovern of 178 Nichols street, a linen shower was given in honor of Miss Florence Barfows, who is soon to become the wife of Ernest Parker of Beechwood avehue. A large number of friends gathored in the gally decorated rooms. Dancing and singing were held until a ate hour, when luncheon was served. Various musical selections were ren-dered by R. Moore and E. Cuddy. Miss Florence Barrows was the recipent of many valuable and handsome gifts. Ernest Parker, the bridegroom-ic-be, is a member of many local clubs. Both have many friends who wish them a happy journey through

The wedding in the near future is seat and a ten-year-old suit.-New Mork expected to be a brilliant one. Among those present Thursday evening were the Misses May, Frances and Joseph-ine Barta, Anna Kelly, Anna Shearan, Maude Richardson, Dedils McNamara, May Finnegan, Nellie Collins, Helen Waldorf, May Sapho, Florence Barrows, Mr. and Mrs. C. Barrows, Mr. and Mrs. Richard Moore, D. Moore, Mrs. E. S. Broderick, Mr. and Mrs. M. McGovern, Mrs. Harrigan, Mr. and rs. Bedell, Ernest Parker and Mrs.

A Luxurious Davenport By Day -A Comfortable Bed at Night

This One Motion Bed Davenport \$6 TERMS TO SUIT

This Davenport is Substantially

Built

It isn't the palsy, shaky kind that seems on the point of nervous breakdown every time you open or close it. It's a great, big comfortable and substantially built Daveno Davenport that will give years of continuous service and always look well.

Even though you did not use your Davenport as a bed throughout the season, you would be justified in buying one of these bed Davenports as a handsome piece of parlor fur-niture, the beautiful Colonial design lending dignity to any room.

Why This Low Price is Made

tising, and when we agreed to advertise this Davenport in this way, using their name, they agreed to make a special price that would enable us to sell more Davenports in a single day than we ever sold before. It will cost you more per month to rent an extra room than you pay each month on this Davenport. And at the end of the year you have nothing to show for it. But if you buy one of these Davenports you'll own a beautiful piece of parlor fur-niture upon which you have saved a tonsiderable sum in its purchase.

COMPLETE HOME FURNISHERS

You Sleep on Excellent Bed Springs Not on the Upholstering

The makers of this Davenport appreciate the great influence of adver-
